Dear Chairman Obey & Ranking Member Lewis:

I am requesting \$1,000,000.00 for Norton Building Renovation in fiscal year 2010. The entity to receive funding for this project is Snead State Community College, located at P.O. Box 734 Boaz, AL 35957. The funding would be used for restoration of a building that will house the Social Sciences Division 4 classrooms, and offices will occupy building as well. Redesign will provide access for students with disabilities. Taxpayer Justification: Building is listed in the National Register of Historic Places for national significance and is located within and contributing to a historic district that is listed in the National Register. BRAC will contribute to Snead's growth and need for additional classrooms.

I certify that neither I nor my spouse has any direct financial interest in this project.

Also, I hereby certify that this request will be made publicly available on my Official Website as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress; (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark; and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the Congressional Record describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Robert B. Aderholt
